

PART II – Contract Clauses

Section I-Contract Clauses

I.1 Task Order Clauses

In accordance with FAR 52.301, Solicitation Provisions and Contract Clauses (Matrix), due to the various combinations for contract provisions/clauses that may be Optional under an individual task order based on the contract type, statement of work, dollar value, and other specific customer agency requirements, BMO SB cannot predetermine all the contract provisions/clauses for future individual task orders. However, all Applicable and Required provisions/clauses set forth in FAR 52.301 automatically flow down to all BMO SB task orders, based on their specific contract type, statement of work, and dollar value.

All Applicable and Required provisions/clauses that automatically flow down to task orders shall remain unchanged as of Federal Acquisition Circular (FAC) No. 2005-97, effective date January 24, 2018, throughout the entire period of performance under BMO SB. If a future Applicable or Required provision(s)/clause(s) are to the benefit of future task orders solicited under BMO SB, the future Applicable or Required provision/clause may be updated by FAC No. and effective date under a bi-lateral modification to BMO SB.

The OCO must only identify any Optional, and/or Agency-Specific provisions/clauses for each individual task order solicitation and subsequent award. The OCO must provide the provision/clause Number, Title, Date, and fill-in information (if any), as of the date the task order solicitation is issued.

I.2 BMO SB Clauses

The following clauses apply only to the BMO SB MA-IDIQ task order contract. The clauses and dates remain unchanged throughout the term of BMO SB unless changed through a bi-lateral modification to BMO SB.

(End of clause)

52.216-19 ORDER LIMITATIONS (OCT 1995)

(a) Minimum order. When the ordering activity requires supplies or services covered by this contract in an amount of less than micro-purchase threshold, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) Maximum order. The Contractor is not obligated to honor—

(1) Any order for a single item in excess of \$15B;

(2) Any order for a combination of items in excess of \$15B; or
